

Friendship Force 37th World Conference

Friendship for the Future

Friendship Force members from around the world gathered in Auckland, New Zealand, earlier this month to celebrate friendship and global understanding.

We've pulled together photos, videos, and presentations on the official conference [webpage](#). Read the highlights, download the photos, and watch the performances all in one spot. You will also find great resources on a variety of topics that were presented in workshops by Friendship Force volunteers!

FFI extends its sincere thanks to the host committee, comprised of members of the Friendship Force clubs of New Zealand. We would like to thank all of the volunteers who participated in workshops and all of the wonderful members who made the trip out to celebrate with us! We had a great time and look forward to seeing everyone next year for the 38th Annual World Conference in Vancouver, Canada!
